**“Earn and Learn Scheme”**

**Introduction-**

Since higher education is involved in the field of college and University education, the basic view of education is to enhance the culture of student without limiting it only to teaching and research. So Gondwana University, Gadchiroli has started the Earn and Learn Scheme with a noble intension of inculcating labour values in the students while pursuing higher education. From the academic session 2021-2022 our institution has taken an initiative to adopt the scheme at college level as most of our students come from rural and backward area in order to help economically backward student aspiring to pursue higher education.

**Objective of the scheme:**

- 1) To provide financial assistance to the economically weak, needy, and aspiring to pursue higher education.
- 2) To cultivate the reputation of human labour.
- 3) To motivate students in terms of self-employment.
- 4) To become a knowledge servant.
- 5) Creating awareness of work culture.
- 6) Students will get benefited from the experience gained by doing various types of works under this scheme.
